

Greater Grand Rapids USBC Tournament Averages

for use in the 2026-27 season

Updated September 22, 2026

Beginning with the 2026-27 bowling season, the Greater Grand Rapids USBC will be utilizing a tournament average for most of its handicap tournaments. Bowlers will use either their book average or their tournament average - whichever is higher.

The average includes data from, and will be utilized in, the following tournaments: 500/600, 700/800, Seniors', Mixed Doubles, City Open, City Women's.

Anyone with at least 18 games of participation over the last five seasons (2021-22 to Present) has a tournament average. Listed below are those tournament averages, and each bowler's book average. The higher average will be used in tournament play.

If you have questions, feel free to e-mail us at averages@grgrusbc.org.
